Regular inspection of roads by field level officials of PWD comes under their responsibilities. In recent past, a number of memorandum was issued to give priority into road maintenance. Recently road maintenance policy for all roads excluding National Highways in the State of Tripura has been approved by Council of Ministers which has been brought into effect in the State vide notification No.F.31(1)/MC/PWD/2017/ 234-353 dated, 04-02-2019.

2. During review meetings, all field level officials were directed to take appropriate actions on right time without further delay. It is observed that due to delayed actions, road surface of many roads have been badly affected mainly with pot holes, causing inconvenience to traffic. The Government has always given priority for maintenance of the existing roads with the limited resources without further commitment on new construction or major improvement.

3. So all field level officials of PWD(R&B) are directed to be more careful on the issue of road maintenance giving high priority, failing which the concerned officials if found with any lapses on their side may be held responsible for their incapability.
