No.F.80(1)-PWD(W)/2018

Dated, the 3rd June, 2019.

MEMORANDUM

The issue of quality was discussed at length in the Review Meeting held on 05/04/2019 and emphasis was laid on the improvement of the quality of maintenance as well as construction of roads by introducing latest technology by Mechanical means suitable in Tripura conditions.

2. In order to improve the quality of road maintenance and construction works and also to minimize the air pollution, it has been decided by the department to execute the PMC works by Mechanical means and stop the old practice of manual mixing of carpeting and seal coat ingredients during construction, improvement, strengthening and re-carpeting henceforth.
