

**URGENT**

**GOVERNMENT OF TRIPURA  
PUBLIC WORKS DEPARTMENT**

No.F. 48(2)/MC/PWD/2000 / 31-130

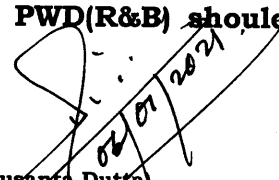

Dated, Agartala, 06.01, 2020.

**MEMORANDUM**

**Sub:** Closure of works in WAMIS Application.

It is observed that since launching of WAMIS application in PWD, the Divisions entered a huge number of works and subsequently accounting & works billing might have been resolved in the mean time but formal closure of works with accounts have not taken place in the same Apps for the current operation of WAMIS.

2. The Dashboard monitoring of WAMIS is being placed in order for monitoring of all works and accounts taken up by all wings of PWD except PMGSY.
3. In order to update system it is required to close such old works and accordingly all Executive Engineers of PWD, except PMGSY are requested to take actions in the live system, which are no longer required for any financial transactions.
4. To facilitate the next review meeting of PWD(R&B), **a virtual meeting is scheduled on January 08, 2021 at 4 PM** and accordingly all Executive Engineers are requested to ask the concerned officials including Divisional Accounts Officer/ Divisional Accountant in the division offices **to attend the ON-LINE meeting through Google Meet.**
5. The link for the meeting is <https://meet.google.com/oqe-htjb-jha> , which is also being shared through WhatsApp groups related to WAMIS.
6. The mater is urgent and the **closure of works under PWD(R&B) should be ensured latest by January 13, 2021.**

  
(Susanta Dutta)  
Nodal Officer, IT Applications &  
Deputy Secretary,  
Public Works Department
