Dated, Agartala, the May 04, 2018

MEMORANDUM

Subject :- Procurement of DSCs (Class II Taken with Signing + Encryption Certificate having SAFENET 72K and two years validity) for officials of PWD

As per approval from the appropriate authority in Public Works Department (R&B), Government of Tripura, a Memorandum was issued vide this Office Memo No.48(1)-MC/PWD/2011(S) dated December 8, 2017 requesting all concerned to submit their applications alongwith other credentials for procurement of DSCs. But even after passing of about 4 months, the response from the officers concerned is very poor and so far proposal from only 10 officials out of 45 has been received by this office.

2. The basic purpose for procurement of DSCs was for GST Registration, Treasury functions and of course for e-tendering process. Finance Department in the meantime e-tendering has made mandatory involving goods, services and consultancies above 3(Three) lakh and works/ EPC above 25 (Twenty five) lakh. And recently the issue came up for discussion in the meeting taken by the Hon'ble Chief Minister, Tripura while it was further desired to go for e-tendering upto that level without any further delay.
3. To expedite this process, the remaining officials who have not sent their applications are further requested to submit application forms alongwith copy of the Certificates as uploaded in the Homepage of PWD, so as to reach this office latest by 11th May, 2018 failing which no further application for DSCs will be entertained by this office and in those situations, the concerned officers shall have to obtain DSCs at their own from the authorized vendors.
